

For Fans of Only Murders in the Building

The lovable HULU series with stars Selena Gomez, Steve Martin, and Martin Short is back for its third season with special guest stars including Meryl Streep and Paul Rudd. The quirky and endearing Mabel, Charles & Oliver form an unlikely friendship and become amateur sleuths who solve murders while hosting their true crime podcast. Fans of the series will love these titles featuring love murder mysteries, mystery-comedies, amateur sleuths, murder clubs, true crime podcasts, or all of the above.
